EMPLOYMENT HISTORY

- ❖ **Freelance AI-Powered Web Developer & Digital Marketer, Self-Employed** 2024 — Present
 - Design and deliver fully responsive, modern websites using AI-assisted workflows (average project time < 1 week).
 - Create viral social media content, cinematic visuals, and ad creatives that outperform traditional methods.
 - Offer packages: AI Web Magic (\$600+), Viral Marketing retainers (\$400+/mo), Full Glow-Up branding + site + content (\$1,500+).
 - Master advanced prompt engineering to produce production-ready code, copy, and visuals with zero back-and-forth.
- ❖ **Security Operations / Loss Prevention Specialist, Fanatics Collectibles** Mar 2025 — Dec 2025
Sunnyvale
 - Monitor and analyze surveillance feeds in real-time (honed pattern recognition and attention to detail).
 - Master multiple security software platforms and write concise, accurate reports — skills directly transferable to debugging and writing clean code/documentation.
- ❖ **Admin / Security Officer, Allied Universal Security** Mar 2024 — Jul 2025
Sunnyvale
 - Quickly learned proprietary access-control and CCTV systems.
 - Trained new hires on software and procedures (natural teacher and communicator).
- ❖ **Senior Bilingual Bank Teller, First Convenience Bank** May 2023 — Dec 2023
Mesquite
 - Delivered excellent customer experience in high-pressure environment while cross-selling products (early proof of marketing/sales instinct).
 - Consistently balanced large cash drawers with 100% accuracy.
- ❖ **Sales Associate, Cavender’s Boot City** Nov 2021 — Mar 2022
Mesquite
 - Mastered product positioning, visual merchandising, and upselling techniques.

EDUCATION

- ❖ **Eastfield College (Dallas College)** Jan 2026
Associate of Applied Science (AAS) Dallas
Relevant coursework: Digital Marketing, Consumer Behavior, Advertising, Web Design Fundamentals

PORTFOLIO & PROJECTS (RUBIOSORIO.COM)

- ❖ **Personal portfolio site built 100% with AI-assisted code (HTML, Tailwind, React components)**
- ❖ **Multiple client websites (e-commerce, landing pages, portfolios)**
- ❖ **Viral TikTok/Reels templates and AI-generated cinematic videos**
- ❖ **Live case studies showing traffic growth from SEO + AI content**

ADDITIONAL STRENGTHS

- ❖ **Extremely fast learner — can go from “never seen this tool” to “building with it” in hours**
- ❖ **Night-owl friendly (perfect for global/remote teams across time zones)**
- ❖ **Obsessed with new AI tools and techniques (always 3—6 months ahead of the curve)**
- ❖ **Proven ability to explain technical concepts to non-technical clients**
